Hallmark of innovation

New-Liv^{Liquid}

Hepatoprotective, Regenerative, Stimulant ...

New-Liv^{Liquid}

Hepatoprotective, Regenerative, Stimulant ...

New Liv is a Hepatoprotective, Regenerative and Stimulant for ruminants and pet animals. It is a mixture of Aminoacids and Vitamins required for growth and development of livestock.

FEATURE

Silymarin

- Excellent hepatoprotective
- Enhances liver detoxification
- Flavonoid of silymarin acts as a powerful antioxidant
- Neutralizes harmful free radicals
- Improves immunity
- Inhibit chemical pathways leading to inflammation
- Stimulates protein synthesis and milk production

Tricholine citrate, Choline & Inositol

- Mobilizes fat from liver
- Improves absorption of Vitamins
- Controls fatty infiltration and cirrhosis of liver

Biotin

- Fiber digestion
- Positive energy balance
- Ovulation
- Hoof health and milk production

Enriched with Methionine, Vitamin E & B complex

BENEFITS

- Protects liver damage from various toxins
- Rejuvenates liver cells
- Augments liver functions and secretions
- Improves feed intake
- Controls stress and liver disorders
- Enhances milk production and weight gain
- Improves growth, FCR, fertility and hatchability.

Presentation

- 1L & 5L Can

Composition

Each 30ml contains

Tricholine citrate	2000 mg
Choline chloride	1000 mg
Yeast extract	1000 mg
L-Lysine	200 mg
DL-Methionine	200 mg
Eclipta alba	400 mg
Phyllanthus niruri	400 mg
Andrographis paniculata	200 mg
Silymarin	150 mg
Ferric chloride	150 mg
Biotin	50 mcg
Inositol	35 mg
Nicotinamide	40 mg
Thiamine	10 mg
Vitamine B ₁₂	8 mcg

Recommendation

- Anorexia
- Hepatitis
- Debility
- Stress
- Mycotoxicosis
- Fatty liver / Toxemia
- Hypoproteinemia
- Anaemia
- Better Production & Performance

Administration

- Cattle, Buffalo, Horse & Camel : 30 - 50ml/day
- Sheep, Goat & Pig : 10 - 15 ml /day
- Dog & Cat : 5 - 10 ml /day
- Poultry : 10 - 20 ml / 100 birds
